

BARTHMAN IS OUT.

Brooklyn's Boycotted School Commissioner Resigns.

Franklin W. Hooper Appointed as His Successor.

Barthman Frozen Out by Lack of Committee Appointments.

Brooklyn had a political sensation to-day in the resignation of William Barthman as a member of the local Board of Education.

WILLIAM BARTHMAN.
In Mayor Boody's morning mail was the following letter:
332 GREENE AVENUE,
BROOKLYN, March 24, 1922.
Dear Sir: I hereby resign my position as a member of the Board of Education.

Barthman has long been the cause of contention in the Board of Education. He was originally appointed by ex-Mayor Chapin to the Board, and was later appointed by President Hendrix to a place on the Committee on Sites.

Stories came to the surface about Mr. Barthman's connection with the purchase of certain sites for new schools. They were brought to the attention of the Board and an investigating committee was appointed, which prepared a voluminous report censuring Barthman.

Before the report was presented Mayor Chapin took cognizance of the scandal and quietly intimated to Barthman that unless he resigned he would be compelled to suspend him. Mr. Barthman resigned, and his resignation was accepted by the Board and by the investigating committee.

Towards the close of last year a vacancy occurred in the Board, and to the surprise of every one Mayor Chapin again named Barthman for the place.

It leaked out that after resigning Barthman had procured from some members of the committee a clean bill of health, with which he was prepared to meet all opposition to his reappointment.

A loud protest went out on the Mayor's action, but Barthman took his seat. A sort of boycott against him by his former associates was the result. President Joseph Hendrix, who was pronounced in his disapproval of the appointment, showed it when his committee for the year were announced. Barthman had been entirely ignored.

His name did not appear on a single committee, and threats of resignations were made by thirty members of the Board who did not favor Barthman, but only one resignation was tendered, that of John Creevy, who declared he would not sit in the body with Barthman.

Mayor Boody later announced Franklin W. Hooper as Barthman's successor. Mr. Hooper's appointment Mayor Boody thought would be acceptable to the citizens, as he had done much for education.

Mr. Barthman is a jeweler at 174 Broadway, this city.

DREAMED HE'D BEEN LICKED.
Then Mr. Kenny Woke Up and Gave His Wife a Thumping.

Bernard Kenny, laborer, of 330 Prospect place, Brooklyn, was arraigned in the Adams Street Police Court to-day charged with maltreating his wife. This is the story Mrs. Kenny told Justice Tighe:

"My husband came home last night and went to bed. He wasn't drunk, and he wasn't sober. In the middle of the night he got up and said he had dreamed some one had licked him.

"He asked me who had been in the house. I said nobody had been in but just ourselves. Then he said that I must have licked him, and he hit me a clout on the jaw and ran out of the room into the hall. He dragged me back into the room by my hair, beat me, and then went to bed and slept quietly till morning. My husband is a good man except when he drinks.

The Court bowed Bernard over to keep the peace in the sum of \$100.

A Day Off.
[From the Clock Review.]
Husband: "What does all this muss mean, and where's the servant girl?"
Wife: "I told her she might go shopping to-day, as I wanted to clean house."

BE SURE YOU

Are right, then go ahead—is especially applicable to anyone in search of a blood-purifier. You can always be sure, by taking AYER'S Sarsaparilla. For the cure of Catarrh, Rheumatism, and Nervous Debility, AYER'S Sarsaparilla is superior to any other remedy. It searches out the destructive poisons in the blood, expels them harmlessly by the natural channels, and establishes perfect health.

"I recommend Ayer's Sarsaparilla in my practice," Dr. B. H. Avery, Jefferson, N. Y.

"For several years, I was troubled with inflammatory rheumatism, being so bad at times as to be entirely helpless. For the last two years, whenever I felt the effects of the disease, I began to take Ayer's Sarsaparilla, and have not had a spell since."—E. T. Hansbrough, Elk Run, Va.

"After suffering severely for many years from rheumatism, I was induced to try Ayer's Sarsaparilla, and received immediate benefit."—D. S. Winchester, Holden, Me.

"I suffered so badly from rheumatism that I was unable to work for a long time. At last I took Ayer's Sarsaparilla, and was cured."—George Riedrich, Prospect Park, Cal.
